

A total of \$89,876.73 was distributed among the 137 qualifying organizations listed below that held Spay Day USA 2008 events. Grants to each group ranged from \$500.26 to \$2,725.55. These funds—donated by generous participants in the Spay Day USA Pet Photo Contest and others wishing to help end pet homelessness—will allow hundreds more animals to be spayed or neutered, further increasing Spay Day's effectiveness beyond the month of February.
